

First Aid Heartsaver® First Aid Online Part 1*

Course Covers:

- *First aid basics*
- *Medical emergencies*
- *Injury emergencies*
- *Environmental emergencies*

In recent years, OSHA reports show that approximately 4 million workplace injuries and illnesses occur annually. It is vital for employers to provide employees and designated first responders with training that enables them to take immediate and appropriate rescuer action, before professional help arrives.

The Heartsaver® First Aid Online Part 1 Course offers a flexible, time-saving option for workplaces that need to provide safety training. The complete course is delivered in two parts. Part 1 delivers the cognitive learning through Web-based, self-paced modules. Part 2 requires students to meet with an American Heart Association Instructor to complete a hands-on skills practice session. Upon successful completion of both parts students receive a course completion card valid for two years.

Features

- Interactive questions and video segments
- Downloadable student review guide available to users up to 12 months after initial completion
- Part 1 Certificate of Completion is provided and must be presented at a skills practice session (Part 2) conducted with an AHA Instructor
- Can start, stop and return to online modules as needed
- Product #80-1095
- SRP: \$25.00

Benefits

- Convenient alternative to traditional classroom training
- Offers fast implementation with no classroom scheduling delays
- Self-paced learning for Part 1
- Flexibility to complete online modules at home or work
- Content based on the latest AHA science

For more information on eLearning or to purchase your keys for a course, go to www.onlineaha.org

*Successful completion of both parts of the course is required for students to receive a course completion card. Completion of only Part 1 does not meet the requirements of a full course and will not result in receipt of an AHA course completion card.
